We will pay a little **MORE** for:

- new with tags
- large toys
- hot selling
- trending brands

We will pay a little **LESS** for:

- older styles
- smaller toys
- basic brands
- too many in stock

Our Rationale:

When we buy directly, we not only take on the task of tagging and expense of tagging supplies, but we also take the risk of items not selling. So, we are able to pay a competitive price while recognizing the investments we are making!

Hot Selling Items!

Toys

Of any kind —
All pieces required.

Large Items

Baby equipment, baby gear, outdoor toys, furniture & more!

Boys' Items

Clothing and shoes
(sizes 3+)

Games & Puzzles

With all the pieces please!

You will not make as much with this method as you would tagging and selling your own items or going with our valet tagging option. BUT! We are hopeful this is helpful to those who need to clear out quickly and make some cash (more than you have with your items sitting at home)!
